

20 Mistakes Holding

Back Your Career

Are you making any of them?

By Luke Tobin

1. Staying in Your Comfort Zone

- Comfort is the enemy of progress. If you're not pushing yourself, you're stagnating.
- What to do instead:
Regularly seek out challenges that stretch your abilities.

2. Neglecting to Build a Strong Network

- Your career will never rise if you rely solely on your own efforts.
- **What to do instead:**
Build relationships with key industry leaders who can open doors for you.

4. Overworking Instead of Working Smart

- Working harder doesn't guarantee results. It's working smarter that gets you ahead.
- **What to do instead:**
Prioritise tasks based on their impact, not how much time they take.

5. Ignoring Personal Branding

- If no one knows your value, don't be surprised when you're overlooked for opportunities.
- **What to do instead:**
Cultivate a strong personal brand online, showcasing your expertise.

6. Waiting for Permission

- The best opportunities won't come knocking, they're seized by those who take initiative.
- **What to do instead:**
Create your own opportunities rather than waiting for approval.

7. Fearing Rejection

- Rejection isn't failure, it's a necessary part of success. Stop letting fear hold you back.
- **What to do instead:**
Embrace rejection as a learning experience and keep pushing forward.
